

# Courts & Multi-Purpose Rooms

Ideal for courts and multi-purpose spaces, Ecore manufactures 3 products that offer unrivaled performance. All 3 surfaces pass the ASTM F2772 standard for sports floors and uniquely offer superior energy restitution for optimal sports performance, comfort, and resistance to residual indentation, making them ideal surfaces for multi-purpose rooms and gymnasiums.

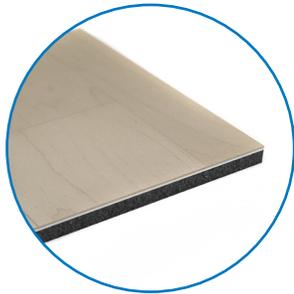

## ASTM F2772

Standard Specification for Athletic Performance Properties of Indoor Sports Floor Systems

 Standard Vertical Deformation (ASTM F2157) <b>PASS</b>	 Ball Rebound (ASTM F2117) <b>PASS</b>	 Force Reduction (ASTM F2569) <b>CLASS I or II</b>	 Surface Effect Slip Resistance (ASTM E303) <b>PASS</b>

**Energy Restitution: 68.4%**  
 Useful return of impact energy

*\* Typical Deltec Field Tester Results*

## BALLER COURT ACCENTS

Baller is available in 5 wood visuals and the 6 below accent colors. These colors are designed to be “cut-in” on site to the surrounding court material to create court borders and accents with your brand or school’s colors. These colors are available in both Motivate Class I and Rally Class II base layers.

Blue 271 Green 275 Indigo 270

Orange 272 Purple 274 Red 273

## PRINTED GRAPHICS & LOGOS

Need a center court logo or decals for your multi-purpose space class? Ecore offers printed graphics and logos so that you can customize and design your space to include your school or teams branding!

Visit the *Printed Graphics & Logos* page at [ecoreintl.com](http://ecoreintl.com) for more information.

## PAINTED LINES + GRAPHICS

Ecore does not distribute or manufacture paint, but our court surfaces can certainly be painted on. Ecore approves Endura Game Line paint.

Please contact *Can-Am Coatings* for more information.
